Thank you.

Hey, I thought the meeting last week was great! I learned so much and it was a nice way to round out our trip the previous week.

Hi Sandy,

Attached are the Service's comments and recommendations for the Alaska Stand Alone Pipeline (ASAP) Corps permit. The original signed letter will be sent to the Colonel. Our comments and recommendations for the Draft Supplemental Environmental Statement will be submitted by the Department of the Interior under a separate cover. If you have any questions regarding our comments, please feel free to contact Sarah Conn (Sarah_Conn@fws.gov) or Bob Henszey (Bob_Henszey@fws.gov).

Thank you for this opportunity to comment,

Charleen
